membership@ryc.org

Dear Prospective Member,

On behalf of the Flag and the Board of Governors of Raritan Yacht Club, I would like to thank you for your interest in becoming a member of one of the ten oldest yacht clubs in America. Raritan Yacht Club is a wonderful place to enjoy the many treasures of Raritan Bay and to share the love of sailing, community, and friendship with our membership, their families and friends.

All prospective members must complete and submit a formal membership application, along with the non-refundable Application Fee. In addition, before your membership packet can be accepted by the Board of Governors, the Initiation Fee must be submitted.

Candidates for membership must be sponsored by two members in good standing of the Club. The Membership Committee can arrange to have you meet with members who would sponsor your application for membership if you do not have someone to sponsor you.

Upon receipt of your application, the Membership Committee will set up an interview with you to allow us to get to know more about you and to answer any questions you may have about the Club, its members, and its many amenities. After receiving the recommendation of the Membership Committee, your application will be submitted to the Board of Governors, where your membership will be voted upon. The Board of Governors meets on the second Tuesday of each month, and prospective members are encouraged to be present at the Club the evening that their membership is submitted to the Board.

Once elected to membership, you will be assigned a membership card, which will allow you use of the club's facilities, as well as provide you reciprocal privileges at other participating yacht clubs throughout the United States. You will also receive a key to the club, which you can use to access the clubhouse, yard, and facilities 24 hours a day, seven days a week.

Thank you again for considering membership in our wonderful Club, and we look forward to you becoming part of our community.

Best regards,

Paul Suzdak
Membership Chairman
