

2020 RC Laser St. Patrick's Day Regatta

Saturday, March 14, 2020

Sponsored by Raritan Yacht Club RC Laser Fleet - AMYA Club #375

Raritan Yacht Club | 160 Water Street | Perth Amboy, NJ 08861

NOTICE OF CANCELLATION

Thursday, March 12, 2020 9:30PM

The Raritan Yacht Club Board of Governors held an emergency meeting this evening to discuss the club's activities in light of the current information and expert guidance as it relates to the Coronavirus (COVID-19) situation. The BOG has decided to close the Galley and Bar through the end of March and cancel all club sponsored activities; including the St. Patrick's Day RC Laser Regatta planned for this weekend.

The health and safety of our members, employees and guests are our highest priority, and our decisions are always guided by what is best for them and the broader community in which we live.

We will reschedule this event at a future time if the calendar permits. In the interim, we will issue a full refund of regatta fees.

Fair winds and good health,

Mark Daddino

RYC RC Laser Fleet Captain
