

RYC FACT SHEET

What is Raritan Yacht Club?

We are an organization bound by our long history, rich sailing traditions, mindful of the stewardship of our home waters whose members continually strive to enhance the value of membership for the benefit of ourselves, our fellow members and the local/sailing community.

What makes RYC special?

We are a community drawn together in our pursuit of fun.

We are sailors; Bound by proud traditions we work to advance our knowledge through sharing of experiences with our fellow sailors.

We are stewards of our Club, respectful of the legacy of our predecessors, and mindful of our responsibility to our successors. We strive to orchestrate activities on the water and ashore that increase the enjoyment of our fellow members, and their families and guests and thereby attract new members to our ranks.

We are a family; protective of our common bond yet respectful of the diverse interests within our own ranks.
